

Expand Your Offerings with the RICOHPro C5400s Series

Versatile Performance. Streamlined Workflow. Brilliant Results.

Elevate your production with the RICOHProC5400sSeries—a reliable, versatile solution built for fast-paced environments to help you take on more jobs. With an outstanding 2,400 × 4,800 dpi resolution, this digital press delivers vibrant output, flexible media handling, and a wide range of finishing options to support growing client demands.

Whether you're managing multiple fast-turn jobs or delivering finished, client-ready prints, the Pro C5400s and C5410s help you stay agile while producing consistently high-quality results.

Unlock More Opportunities with the RICOHProC5400s Series

Expand Service Offerings

Print on a wide variety of stocks—from lightweight papers to heavy cardstock, synthetic, and other specialty media up to 360 gsm—so you can take on diverse client requests and grow your revenue potential.

Enhance Finishing Options

Offer professional finishing features including saddle-stitching, staple-less binding, GBCStreamPunch, Plockmatic CT/XL and the Plockmatic 435/450 series booklet makers to deliver polished, client-ready prints with greater flexibility.

Optimize Workflows

Streamline production workflows by minimizing manual tasks with in-line finishing options and simplify job setup and make ready by using the Media Library's 1,000+ profiles, keeping production running smoothly on a wide range of stock: linen, bond, textured and coated.

Accelerate Turnaround Times

Achieve fast production speeds up to 80 ppm with multiple media trays and high-capacity input options that keep jobs moving with virtually no interruptions.

Expand Customer Access

Capture more business and streamline ordering by integrating e-commerce or Web-to-Print portals, making it easy for customers to submit jobs on demand.

Talk to a dealer today to see how the RICOHProC5410s and C5400s can help your business say yes to more.
